

To the Honorable John Trenchard and George Clinton
of the House of Representatives of the State of New York

1786-14-01

The petition of Thomas Spratt & Daniel Rogers both of
your County Humbly sheweth; that by the frequent
Inundation of the Catara River many people
travelling to and from the Northern States and
State of Georgia and Western parts of this State
are frequently much distressed for want of a convenient
way for to cross the said River; near the old Manor
road — and as your petitioners have given
aid at a convenient place for a ferry

humbly pray your Honorable House, that a
may be invested in us and our heirs for such term of
years as ^{you} your Wisdom shall think meet —
and your petitioners ~~shall~~ as in duty bound & shall ever

Pray

Thomas Spratt
Daniel Rogers
